

Upcoming Events and Holidays

Santa Barbara has many great celebrations, but our most traditional local celebration is Fiesta and we always go out of our way to make it special.

Fiesta is a great time to visit opal because this part of downtown actually tends to be a little less crowded, and our chefs love to come up with unique Latin specialties which celebrate the holiday but with our opal "spin". For example: Roasted Red Pepper Chile Rellenos stuffed with fresh Snow Crabmeat.

Later on, dont miss the annual opal Halloween bash! We will post more on this as the date approaches.

Although we will be closed all day Thanksgiving and Christmas, so our staff can enjoy the holidays with their families, we always have a great celebration on the night before these holidays.

On Thanksgiving Eve and Christmas Eve we offer our regular menu plus a special Prix Fixe Dinner focusing on popular dishes such as Braised Barbeque Pork Shank with a Grilled Fennel Zinfandel Reduction, Venison, and other Seasonal specialties.

We hope to see you soon!
