

Upcoming Events and Holidays

To our opal family and friends

We are excited to announce opal restaurant and bar is open for in-house dining again! 5-9pm Weeknights, 5-10pm Friday & Saturday.

Our limited menu ensures everything is fresh, and yes! we can serve cocktails (like our Mandarin Orange Ginger Cosmo, or Blackberry Jalapeno Margarita), beer, and wine to go as well as in-house.

See our In-house Dinner Menu, or our pickup and delivery menu here on our website www.opalrestaurantandbar.com, under the Menus tab. Or order delivery from Restaurant Connection or DoorDash.

We have instituted new procedures and re-trained staff according to the new government and health department protocols, to make dining with us enjoyable AND safe. Our seating is limited, but we are able to use more outside spaces, so we should have room for everyone who wants to dine with us.

For pickup, park on Sola St and walk around the corner, or park on Arlington Avenue and walk across the street to pickup. To arrange a pickup directly from opal, please call 805 966 9676 from 5pm on, to leave an order within 15-20 minutes of when you want to pick up. Unless otherwise requested we will take your credit card information over the phone so you will not need to sign anything.

We also have a Father's Day Prix fixe menu for this Sunday, shown on the following page.

We look forward to seeing you soon!
