It's Summertime and time for Santa Barbara's most traditional local celebration: Fiesta!

Although often folks shy away from Downtown during Fiesta, it is actually a great time to visit opal because this part of downtown actually tends to be a little less crowded, and our chefs love to come up with unique Latin specialties which celebrate the holiday but with our opal "spin".

For example: Roasted Red Pepper Chile Rellenos stuffed with fresh Bay Scallops, Tiger Shrimp, Crabmeat, and Salmon.

And...if you're going to the Annual Dignitarios Event at the Santa Barbara Zoo, you will find opal there, serving our popular Shredded Phyllo Wrapped Tiger Prawns with a Coconut Curry Dipping Sauce.

We look forward to seeing you soon, and Viva La Fiesta!
